IMPORTANT DATES

Submission Deadline	July 30, 2024
Notification	August 20, 2024
Registration Dealine	September 5, 2024
Conference Dates	October 25-27, 2024

CALL FOR PAPERS

Topics of interest for submission include, but are not limited to:

Resources and Environment Engineering

- Water Resources Management and Water Pollution Control
- Atmospheric science and air pollution control
- Solid Waste Pollution Control and Resource Utilization

Environmental Ecological Engineering

- Ecosystem Management and Sustainable Development
- Environmental Monitoring and Management

CONFERENCE INTRODUCTION

2024 4th Asia Environment and Resource Engineering Conference (AERE 2024) will be held during Oct. 25-27, 2024 in Singapore. AERE 2024 is one of the leading international conferences for presenting novel and fundamental advances in the fields of Environment and Resource Engineering. It also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving environment and resource engineering related techniques.

KEYNOTE SPEAKERS

Prof. Shane Snyder
Nanyang Technological University,
Singapore

Prof. Tan Siew Ann
National University of Singapore, Singapore

Prof. C.W. Lim
City University of Hong Kong, Hong Kong

PAPER PUBLICATION

Papers submitted to AERE 2024 will be sent to reviewed by at least 2 independent reviewers, the accepted papers will be published into AERE 2024 conference proceedings of *E3S Web of Conferences (Open Access proceedings in Environment, Energy and Earth Sciences)*, which will be submitted to major databases for indexing, including Scopus, CAS, etc.
